### DESCRIPTION:

September 27th, 2014: Al Fadghami, Al Hassakah governorate, Syria  
Summary: Six male civilians, all cousins were killed in the village of Al Fadghami, Al Hassakah "as a result of Coalition strikes."  
Local activist Siraj al Hasskawi published details of the event on the day: "At 10:30 on Friday morning the Western/Arab alliance jets committed a massacre against six unarmed civilians and wounded two in the village of Al Fadghami 70 km South of Hasaka city on the old Hassaka/Deir Ezzor road near Shaddadi city.... The six martyrs had met, along with a number of relatives, in front of the home of Mr. Suleiman to eat breakfast and had their cars parked in front of the house. Unmanned surveillance planes were circling the skies of the village and surrounding villages. Then without warning a coalition aircraft fired a missile on one of their cars, burning it completely and killing the six cousins, and injuring two others. The

first car was completely destroyed and the second one was damaged. The house where women and children live was partially damaged.

... Both Mahmoud and Hussein had returned from Iraq two months ago with their parents after the border between Syria and Iraq was removed, and they both decided to live in the village of their parents. Mahmoud lived in the house of Mr. Suleiman Hussein al Salim, in front of which the massacre took place. The other four martyrs (Satem, Abdullah, Ghassan, and Ali) were all civilians working in agriculture and other freelance work and did not belong to any armed military faction. All were married and each had children between the ages of 9 and 15. They have now been buried in al Fadaghma Cemetery."

The men, all residents of al Fadghami, have been identified as:  
 Hussein Al Ali Al Khalil Al Salama - 35 year old Iraq-born farmer  
 Sitam Al Atiya Al Salama - 38 year old farmer  
 Abdullah Muhsein Al Latif Al Salama - 43 year old former employee of the municipality of Al Mayadeen  
 Ali Antar Al Hannoush - 41 year old farmer  
 Ghassan Al Makhlef Al Salim - 35 year old farmer  
 and Mahmoud Halabi Dandah Al Salama - 31 years old from Iraq  
 Also reported injured in the event were Bashar Hamidi al Salim and Ashraf Mukhlef Al Ali.
