**INITIAL DATE:** Not Reported

"CJFT-OIR CIVCAS Cell concurred with CJFLCCs recommendation that this allegation is NOT CREDIBLE.

**INITIAL ASSESSMENT:**

**Recommendation.** CJFLCC-OIR J34 reviewed strike records for all coalition strikes in the vicinity of al-Jadida District from 17-19 Apr 17 and determine that no strikes correlate with the details as alleged. Further, CJFLCC-OIR PAO assessed the story to be not credible on the basis that it was a re-write of a story originally appearing in Russia Today on 21 Mar 17 and the fact that he could find no record of the official in question making the public statements attributed to him by Iraqi news. This allegation should be treated as not having the potential to be credible."
