MEMORANDUM FOR RECORD

SUBJECT: CIVCAS Allegation Closure Report, Allegation No. 798

1. (U) **BLUF.** Based on the below findings, this allegation is **NOT CREDIBLE.** Based on review of all reasonably available information, there is insufficient information as to time, location, and details to make an assessment of credibility. CJTF-OIR CIVCAS Cell shall close this allegation and make available for immediate public release.

2. (U) **Background.** I considered the following information in making my findings:

a. (U) According to Airwars.org, on 5 January 2017: In Eastern Mosul, Nineveh province, Iraq, local sources told Mosul Ateka that 26 civilians from 4 families were killed when their home was bombed by Coalition strikes. There are no additional accounts of this alleged incident at the moment.

b. (~~S//REL~~) On 22 August 2017, CJTF-OIR CIVCAS Cell approved the Initial Assessment (IA) and determined the allegation should be closed at the IA.

3. (U) **CJTF Initial Assessment**

a. (~~S//REL~~) The allegation did not include picture or video evidence of CIVCAS. Moreover, the allegation did not provide a specific location, e.g., MGRS, name of building.

b. (~~S//REL~~) The CJTF-OIR CIVCAS Cell conducted a search for strikes occurring from 3-5 JAN 2017. Because the allegation does not provide an exact date of the alleged strikes, it is CIVCAS Cell policy to use a 72 hour search window from the date the allegation was reported.

c. (~~S//REL~~) Based on the number of strikes returned by the search and lack of detail in the allegations to narrow the search, it would be unreasonable to make assessment of credibility.

d. (~~S//REL~~) Accordingly, CJTF-OIR CIVCAS Cell recommended closing this allegation at the Initial Assessment due to insufficient information as to time, location, and details to make an assessment of credibility.
